Annual Report and Accounts

January 2026

Chairman's Statement

I am pleased to report another year of progress for the Group. Trading conditions remained challenging, yet the business delivered resilient results, driven by disciplined cost control and continued investment in our online platform.

The Board is recommending a final dividend of 75 pence per share, bringing the total dividend for the year to 140 pence, an increase of 6% on the prior year.

Financial Review

Group revenue increased by 5.9% to 6,303 million pounds, with full price sales up 7.1%. Operating margin improved to 16.7%, reflecting operational leverage and lower markdown activity during the period.

Profit before tax was 1,011 million pounds, up 8.4% on the prior year. Earnings per share rose to 712 pence and the Group generated strong free cash flow.
